

Welcome to the John P. Wilson Society

Those who have made a commitment to the future of pediatric medicine and science by including Lurie Children's in their estate plan through a bequest in a will or living trust, a charitable gift annuity, a charitable remainder trust, or naming the Hospital as beneficiary of a life insurance policy, retirement plan or other arrangement are recognized through membership in our legacy group, the John P. Wilson Society.

Over the last century, planned gifts have helped Lurie Children's become the world-class pediatric hospital it is today.
